S.FACE

Quick Start Guide

Get Started in 5 Steps

1. **Check.** Inspect the mask, cable, and plug for visible damage.
2. **Connect.** Plug the connector into the “Accessories” port on the back of the SmartPulser control unit. S.Face is automatically detected.
3. **Prepare your skin.** Remove makeup, cleanse your face, and dry it completely. Remove jewelry.
4. **Set up.** Select the S.Face icon on the home screen. Activate the light (color, intensity) and/or PEMF, set the duration, and press **START**.
5. **Put on the mask.** Place the mask on comfortably without applying pressure.If you experience any discomfort, stop the treatment.

Break between applications

Important safety instructions

Not a medical device: not intended for the diagnosis or treatment of diseases.

Usage restrictions

- Do not use PEMF with a pacemaker, ICD, neurostimulator, cochlear implant, medication pump, or other active implants
- Do not use on wounds, infections, or irritated skin
- Not for children under 1 2 years of age
- Do not use while driving, walking, bathing, or sleeping
- Do not look directly at the LEDs (especially blue light)

Consult a doctor first

- Pregnancy
- Epilepsy or seizures
- Sensitivity to light, including that caused by medications or skin care products
- Eye or retinal disease, eye surgery
- Recent laser treatments, chemical peels, microneedling, injections, or facial surgery
- Implants in the treatment area

Stop use immediately if you experience

- Eye pain, blurred vision, flashes of light
- Burning, pain, unusual heat
- Severe redness, swelling
- Rash
- Dizziness, headache, heart palpitations
- Heat or odor coming from the device: unplug it

Cleaning & Care

- Turn off and unplug before cleaning
- Clean with a dry, lint-free cloth
- Do not submerge in liquid; do not use abrasive sponges
- Do not open or repair the device yourself

Good to know

- Use only on clean, dry skin
- Use only approved accessories
- Store out of the reach of children
