- ◆ The Basic Earning Level, divided in 7, equally valued credits!
- ◆ The Rank Advancement Earning Level, called Support Reward Bonus!
- ◆ The Leadership Earning Level, defined within the Star Reward Program!

## Basic Earning Level:

Based on a credit system, whereby 1 Full Credit represents 6.5% of the net retail price within each currency.

Every product sale will be rewarded with a maximum of 7 Full Credits =  $7 \times 6.5\% = 45.5\%$ !  
A Full Credit consists of 1 Basic Credit (5%) and 1 Special Credit (1.5%).

## Getting started

The more people you share the Swissbionic Solutions business opportunity with, the faster your team will grow and so will your income. Start with TWO personal sales in two different legs to become fully eligible to all pathways and benefits of the 7CR remuneration plan!

# Rank Advancement

Once you registered yourself with us and you have made 2 personal sales, you reach the rank 2G. At 2G you receive 2 Full Credits (2 times 6.5% = 13%) for each future personal sale.

Every cumulative sale (personal- or group sale) counts for your rank advancement. See below the qualification requirements for the respective ranks:

RANK	Nr. of accumulated sales	%
1G	1+1 Personal Sales	6,5
2G	3-10 Group Sales + 1 Personal Sale	13
3G	11-20 Group Sales + 1 Personal Sale	19,5
4G	21-50 Group Sales + 1 Personal Sale	26
5G	51-90 Group Sales + 1 Personal Sale	32,5
6G	90 Group Sales + 1 Personal Sale	39

## Building to 6G

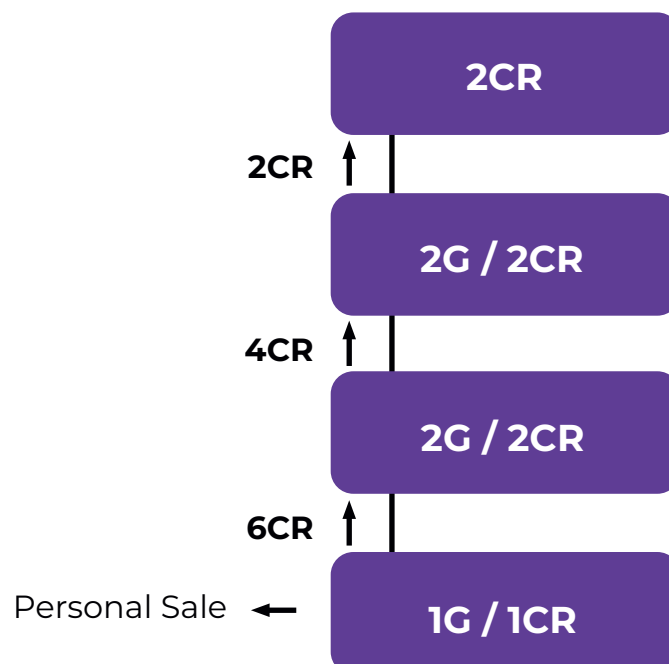

Once you reach 6G, you will be rewarded with 6 Full Credits (6 times 6.5% = 39%) for each future personal sale.

# Rules and regulations

1. The 7 Credits are always calculated from the bottom-up, starting from the partner, who makes the personal sale!

2. The amounts of credits you receive are based on the leg-position where the sale happens and how many credits out of 7 are left when the counting reaches you

**3. One Full Credit 6.5% (BC 5% + SC 1.5%) will always be paid to YOU in case of a personal sale and also a group sale, if you create a personal sale within 90 days (without a PS within 90 days, you will receive only the Basic Credit BC)! From the 181st day until the 360th day without a personal sale you still receive 50% of the BC, afterwards 0%!**

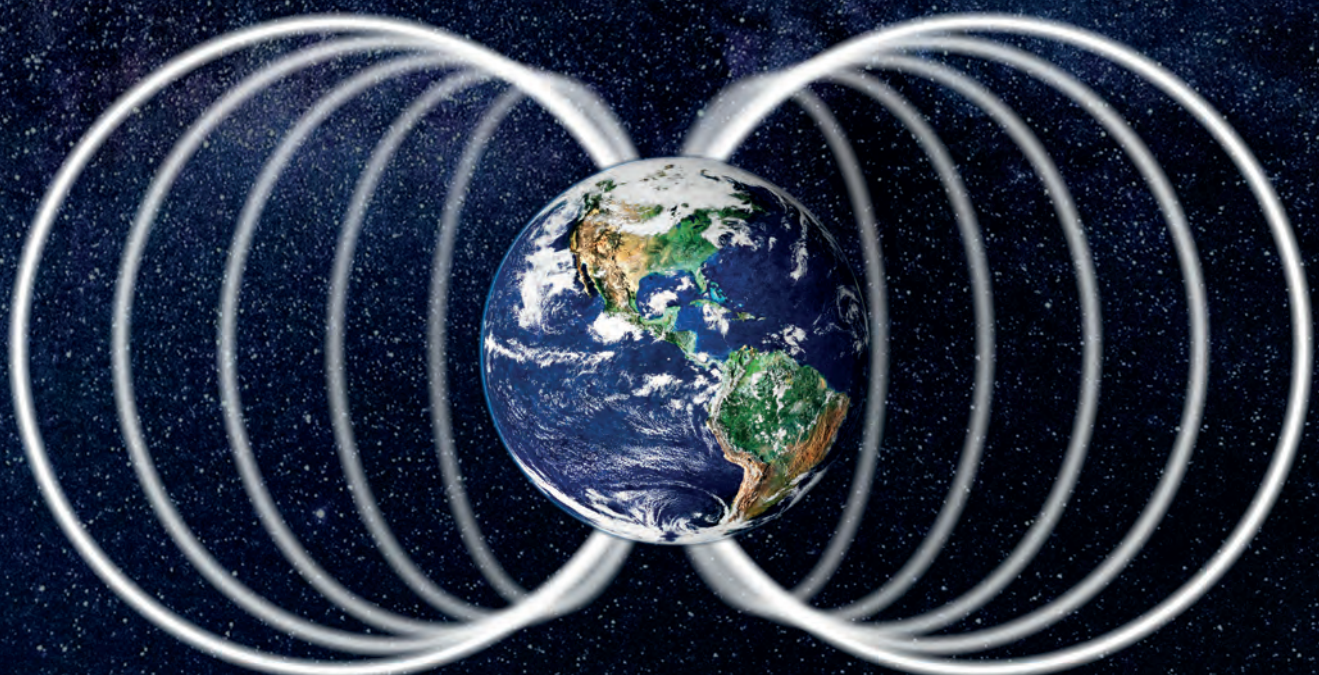

Your assigned SBS Lifestyle Consult will be more than happy to explain our 7CR remuneration plan in all details to you and also introduce our "6G and above Star Rewards Program"!
